## Automate Your Quarterly Payroll Returns

### DGR Software – The Nation’s Pioneer in QuickBooks Add-On Software

DGR Software is a recognized leader in QuickBooks Add-On Software. DGR Software has been developing add-ons to QuickBooks for over 10 years. We developed one of the first add-ons to QuickBooks back in the 90’s. Our customers are still with us and continue to use our products. We attribute this success to our outstanding customer support, reasonable prices and simple licensing.

### What Professionals Say About DGR Software’s Quarterly Unemployment E-File Creator

*“The new C-3 E-File program is a good, straightforward program that does what it promises to do. I heartily recommend it.”*

--Claude L Bohannon, CPA (Houston, Texas)

*“I have used ReportWiz for several years, the reports we get and the ease of using the program save us time and avoids errors, the new C-3 E-file is great, thanks for creating.”*

-Gwen Urioste - Brown, Graham & Co., P.C. - Amarillo
